MASTERPIECES. BUILT TO LAST.

HUNTING MAGIC MOMENTS

Every Merkel firearm embodies 525 years of Suhl heritage – the legacy of the historic gun-making town in the Thuringian Forest. As the last major brand to carry forward this tradition, Merkel combines time-honoured craftsmanship with state-of-the-art engineering. Building break-action firearms is in the DNA of our master gunsmiths and engineers. The African double rifle, the traditional Suhl drilling and the finest over-and-under shotguns are crafted with meticulously hand-fitted actions, timeless elegance and uncompromising reliability – even under the most demanding hunting conditions.

Sale only to holders of a valid firearms licence.
